From Portland comes the announcement that Senator Mitchell has promised his support to Charles W. Fulton for the United States senate. To Mr. Fulton's friends this news is not surprising, as Mr. Mitchell's friendliness to the Astoria man is well known. There is no reason to believe that Mitchell ever contemplated any other course. Fulton elected him to the position he now holds, sacrificing his own claims to the place and enlisting the support of his host of friends. No other man in Oregon could have effected the election of Mitchell, for Fulton is unquestionably the biggest man politically in the state. His election will prove a boon to the west, and all sections will receive equal treatment at his hands. He will be an Oregon senator, with as much deep interest in the needs of Cook county as of Multnomah or Clatsop. Those petty pollticians who are seeking to prevent his election will find that the man from Clatsop is altogether too big to stoop to retallatory measures of the kind employed by them, but that his fight will continue to be an open one, based on his political right to the senatorship and his ability to fittingly represent Oregon in the senate. With Mitchell and Fulton in the senate and Tongue and Willimson in the house, Oregon will have representation of which she may well feel proud.

Sneator Corbett is out with the statement that the legislature must give \$500,000 to the Lewis and Clark fair, or else it will not be held. We beliebe the amount asked will be readily forthcoming and that the needs of the ientennial requirt it. The state can afford to make this contribution to the worthy cause, and will make it unless the Portland agitators succeed in creating enough hostility to hold up the appropriation. Let Senator Corbett advance Portland's suggestions and the legislature will act promptly upon them, but keep those agitators in the background!

### THE OUTLOOK

For a woman's happiness in the married state depends less, as a rule, upon the man she is to marry than upon her own health. The woman who enters upon marriage, suffering from womanly weak-ness, is "heaping up trouble against the day of trouble."

Weak woman are made strong and sick women are made well by the use of Dr. Pierce's Favorite Prescription. It is the one reliable regulator. It dries enfeebling drains, heals inflammation and ulceration and cures female weakness. It nourishes the nerves and invigorates the entire womanly organism. It makes the baby's advent practically painless, and gives strength to nursing mothers. and gives strength to nursing mothers.

"I suffered for tweive years with female transle," writes Mra. Mitton Grimes, of Adair, Adair Co., Iowa, "which brought on other diseases—heart trouble, Bright's Diaeaso, nervousness, and at times would be nearly paralyzed, Had neuralgia of stomach. I can freely any your medicines (nine bottles in all, five of 'Favorite Prescription,' four of 'Golden Medical Discovery,' and two vials of Dr. Pierce's Pelieto, have cured me. I can work with comfort now, but before I would be tired all the time and have a dinty headache, and my nerves would be all unstrang so I could not sleep. Now I can sleep and do a but day's work, something I had not done for over eleven years before."

# RHEUMATISM

CANNOT BE RUBBED OUT But a good liniment or plaster will often give temporary relief because it produces counter irritation or reduces the inflammation and soreness. But no sort of external treatment can have any effect whatever upon the disease itself, for

Rhoumatism is not a skin disease, but s due to an over acid condition of the blood, and the deposit of irritating matter or Uric Acid salts or sediment in the muscles and joints, and no amount of rubbing or blistering can dislodge these gritty particles or change the acid blood. Rheumatism often becomes chronic, and the muscles and joints permanently stiff and uscless and the nervous system almost wrecked, because so much time is lost in trying to cure a blood disease with outside applications or doctoring the skin.

Louisville, Ky., March 27, '02. Gentlemen:-I am glad to say that S. S. S. has cured me of Rheumatism. About two years ago I suffered from Rheumatism in my knees and feet, my ankles swelling so that I could not put on my shoes. This continued for several months, during which time I was applying liniments and going by my physician's directions, but derived no benefit. I was told of S. S. S. and tried it. I immediately got relief, and continued the medicine until I was entirely well.

forts and misery of Rheumatism. External remedies are all right so far as they go, but they don't go far enough, and you can't depend upon them to do the work of a blood purifier, and those who pin their faith to liniments and plasters as cures are bound to meet with disappointment, and will be nursing a case of Rheumatism the

greater part of their lives. S. S. S. is a purely vegetable remedy, does not contain any Potash or mineral of any kind, and can be taken with safety by old and young.

Rheumatic sufferers who write us about their case will receive valuable aid and helpful advice from our physicians, for which no charge is made. We will mail free our special book on Rheumatism, which is the result of years of practical experience in treating this disease. It contains in a condensed form much information about Rheumatism.
